

# TOWN OF EAST MILLINOCKET DEBRIS PERMIT

The Town of East Millinocket Transfer Station  
HOURS of OPERATION

TUESDAY/THURSDAY 9:00 am – 4:00 pm

SATURDAY 8:00 am – 4:00 pm

The Transfer Station facility is open to East Millinocket Property Owners or their designee ONLY.

This form must be completed prior to disposal of acceptable building or demolition debris, in any form, at the East Millinocket Transfer Station.

The following conditions shall be met in order to dispose of any demolition type materials at the East Millinocket Transfer Station. The load will be checked before dumping and will be turned away if the following conditions are not met:

- All wood material will be free of insulation, shingles, metal, etc.
- All metal will be free of wood, siding, insulation, etc.
- Pressure treated lumber must be separated.
- All fuel tanks and 55 gallon barrels must be cut in half and free of any fuel, oil or other petroleum type materials.
- NO ACM (Asbestos Containing Material) will be accepted.

*The Debris permit must be signed by the code enforcement officer before any debris is brought to the Transfer Station. The load must pass inspection based on the above stated debris disposal conditions. This is determined by the Transfer Station attendant. If the conditions for dumping debris are not followed the load(s) will not be accepted.*
